EXPERIENCE

Meta Senior Product Designer

Menlo Park, CA / 2024 - 2026

- Led end-to-end design and strategy for Marketing Messages, empowering millions of businesses to re-engage customers on WhatsApp and Messenger.
- Designed and shipped GenAI-powered marketing message creation and reply automation supporting multiple text variants, lifting CTR +3.02% and setting the design direction for AI-powered customer conversations across Meta's ads ecosystem.
- Drove cross-functional design strategy with engineering and PM leadership, scaling team craft through mentorship, design critiques, onsite, and workshops.

Walmart Senior Product Designer

Remote / 2021 - 2024

- Led design for Seller Acquisition and Seller Communications in Marketplace's Seller Center, the B2B admin console sellers use to onboard and manage their storefronts.
- Built Seller Center's first-ever homepage from scratch, lifting Landing Page NPS +12.

American Airlines Product Designer

Dallas, TX / 2021

- Reworked the Choose Flight booking journey through cross-team design workshops, reshaping how travelers compare and select flights.

Paycom Product Designer

Dallas, TX / 2020 - 2021

- Designed the Expense Management experience in Paycom's HR platform, from how employees submit expenses to how managers review and approve them.

MC² Experience Graphic Designer

Los Angeles, CA / 2018 - 2020

- Designed AR-based interactive experiences and creative campaigns for brands including Toyota, Tesla, and Mullen, from concept to production.

Earlier Design Roles

Los Angeles, CA / Seoul, Korea / Shanghai, China / 2013 - 2018

- Experiential, retail, and brand design for Samsung, Hyatt, and Ritz-Carlton at Olympia USA, Interface Korea, and Riviera Events.

EDUCATION

Dong-A University

BA, Industrial Design (Product Design concentration)

2009 - 2014
